Thief wakes Acton woman: cops urge vigilance

A Rosemary Street woman awoke at 3:24 a.m. on Sunday to find a man standing in her bedroom. He ran from the room and house with a jewellery box.

A police search of the area found a bicycle that may be connected to the home invasion. The limited description of the suspect included only that he was

wearing a dark-coloured hooded jacket. Police said there was no sign of forced entry, and the woman was not home alone.

Police are looking for links to a recent spate of vehicle entries in the area, and a stolen vehicle that was later recovered in Peel.

Halton police remind residents to keep doors and windows locked, and to also lock vehicles and keep valuables out of sight.

Anyone with information about this home invasion is asked to call 519-878-5511, ext 2415 or Crime Stoppers at 1-800-668-5151.
