

**GET INVOLVED!**

Our Community Sustainability Strategy, Imagine Halton Hills, sets out a long-term vision for leading a high quality of life in Halton Hills.

It has 167 goals to advance our cultural vibrancy, economic prosperity, environmental health and social well-being.

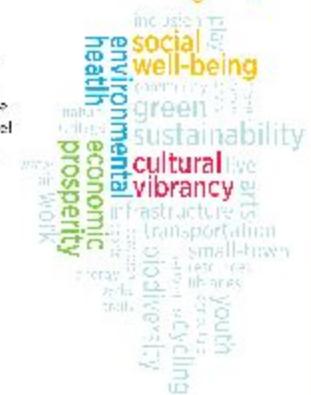

The strategy's implementation will require community partnerships.

You are invited to join us in helping to shape the future of our Town. Together, we can make Halton Hills an even better place to live, work and play.

Whether your organization is interested in sports and recreation; social services; arts, culture and heritage; economic and community planning matters; the health of our natural environment or anything in between, consider becoming a partner in the strategy's implementation. It's easy and free!

To find out how you can participate, please contact:

Town of Halton Hills  
Office of Sustainability  
Planning, Development, &  
Sustainability Department
