## Regional Chair pleased with provincial promise not to proceed with Niagara GTA Corridor decision

Halton Regional Chair Gary Carr is pleased that the Honourable Kathleen Wynne, Ontario Minister of Transportation has promised that the Province will not proceed with the Niagara to GTA Corridor through Burlington. For the past several months, Halton Region and the City of Burlington have been working together to lobby against the highway. In February, Regional Chair Gary Carr and Burlington Mayor Rick Goldring met with the Honourable Rick Bartolucci, Minister of Municipal Affairs and Housing who supported the Region's view that the Niagara to GTA

Corridor did not belong in the Halton Region Official Plan.

"I am very pleased with Minister Wynne's promise," said Regional Chair Gary Carr. "I would like to acknowledge Minister Wynne, Minister Bartolucci, MPP Ted McMeekin and Mayor Goldring for their efforts in resolving this issue. Together we have protected the Niagara Escarpment and our natural heritage for future generations to enjoy."

On July 19 Halton Region released an advocacy document, A Strong Halton for a Strong Ontario - Partners for the Future, prepared in ad-

vance of the October 6 provincial election. In that document, the Region asked the next Provincial government to work with Halton to explore alternative highway routes that do not impact significant features like the Niagara Escarpment and prime

agricultural land.

"Today's announcement is a result of the combined efforts of many individuals, community groups and organizations. Working together we are making Halton a better place to live, work, raise a family and retire," said Chair Carr.

## Woman accosted in Norval

Halton Police are appealing to the public for information relating to an assault on a 19 year old Mississauga woman on Saturday, July 23 in the area of Winston Churchill Blvd. and 10 Sideroad, just south of the town of Norval.

The woman was walking south on Winston Churchill after leaving Nashville North, a local entertainment establishment, at around 11:30 p.m. She was approached by three males who made sexual demands, grabbed her

by the back of her dress ripping it as she escaped their grasp.

The victim lost her purse and cellphone during a brief struggle with the males. She ran south on Winston Churchill where she was assisted by a passing motorist who called police.

The three suspects are described as: 1) Male - white, and very tall, 6'3" - 6'6", skinny, wearing a solid red toque and dark clothing. 2) Male - between 5-6' tall, possibly dark skinned, wearing a dark hoodie and dark clothing. 3) Was not seen by the victim, but was heard. Voice described as youthful.

The Halton Regional Police Service continues to investigate this incident. Any person with relevant information is asked to contact the Child Abuse and Sexual Assault Bureau at (905) 465-8970 or Crime Stoppers at 1-800-222-TIPS (8477). For information, useful links and tips on Personal Safety, the community is encouraged to access the Halton Police website at [www.haltonpolice.ca](http://www.haltonpolice.ca).

## Fire Report

On Tuesday, July 19 at 8:08am fire crews responded to an alarm activation at St. Joseph Catholic School at 147 Mill Street West in Acton. Dust from concrete cutting operations activated a detector in a nearby corridor. No other concerns were identified.

\*\*\*\*

A fire alarm activation Wednesday, July 20 at 9:01pm was received from the flour mill on 62 Mill Street West in Acton which resulted from a problem with the sprinkler system. The Service Agent had been contacted and was responding immediately.

\*\*\*\*

Crews responded to a Carbon monoxide detector activation at Doctor Moore Court on Thursday, July 21 at 2:28am. No readings were found but Staff identified a faulty smoke alarm while on site. A "loaner" smoke alarm was installed until the occupant replaces the faulty device.

\*\*\*\*

Dust from construction is being blamed for a fire alarm activation at McKenzie-Smith Bennett School at 69 Acton Boulevard on Friday, July 22 at 11:26am. A thorough check of the school was conducted to ensure no other problems existed.
