HALTON HILLS SENIORS RECREATION CENTRES ACTON

When I walked into the centre last Tuesday there was a group of members captivated by the movie they were watching. It was nice and cool in the room which certainly helped on such a hot day. If you want to beat the heat why not join them next week and see Australia, a visually stunning and beautiful story starring Nicole Kidman and Hugh Jackman.

Crafts, carpet bowling, and hiking are taking a break for the summer, but members still play canasta on Thursday mornings, and Bid Euchre in the afternoon. If you haven't played before, or if your game is a little "rusty" they would be happy to have you join them.

Wednesday's exercise classes have combined and start at 9:30 a.m. Of course shuffle board is still on Friday mornings, and if there is enough interest might be played on another morning as well. Lunch is at noon, and at 1.00

p.m. they start to play Bingo.

Three people had mooners on Thursday afternoon at Bid Euchre. Betty Brewer, Ruth Burke and May Hoare

If you signed up for Mohawk, can you please pay as soon as possible, as I have to send a cheque to confirm numbers this week.

It's pizza and salad for lunch on Friday, July 29. This will make a nice change for our Friday lunch volunteers, who work diligently every week providing delicious lunches.

There is a bright green survey sheet at the front desk. Please take a few minutes to fill it out. Wendy and Michelle would like them returned by Friday, August 12. Your input is very important for the Centre. We are relying on your comments to help improve our newsletter Hillsview.

The 50/50 was won again this week. Margaret Matheson was happy to win \$62.50.

Yard Waste: No Plastic

Plastic bags are **not** accepted in yard waste collection. Plastic does not decompose and reduces the quality of the final compost product.

Only use paper yard waste bags or reusable, rigid containers (no lids) labelled "yard waste." Yard waste labels are available at no charge. To order a yard waste label, visit www.halton.ca/wastetools, or contact Halton Region. Place yard waste labels on your reusable container.

Yard Waste
Leaves • Brush • Weeds • Branches

Acceptable yard waste materials include yard and garden trimmings, pumpkins, fallen fruit from trees, and tree trimmings. Please "grasscycle" by leaving grass clippings on your lawn.

Please let us know as soon as possible if you will have an accessibility or accommodation need at a Halton Region hosted event or meeting.
