

HALTON HILLS SENIORS RECREATION CENTRES

ACTON

The Tuesday afternoon movies have been well attended, and the next movie will be another new release *Touching Home*. A heartfelt drama of love and redemption starring Ed Harris. Michelle asked me to mention that starting in September, the movies will return to every other Tuesday. There is always a poster on the bulletin board opposite the desk for you to check the movie and date.

I don't see much interest in the joint Acton and Georgetown dance at the Acton Legion on Friday, September 23. If you are interested please write your name on the list to give us some idea of how many might attend. The tickets are \$8 per person and available at the front desk

Thinking of fun, the next social dinner will be on Tuesday, September 6. Swiss Chalet chicken and baked potatoes will be on the menu, and *Juke Box* will be entertaining us again this year. I think they are one of my favourite husband and wife duos. They always look as if they are enjoying themselves.

During our Open House week from Monday, September 12 to Friday, September 16 there will be lots of programs for you to watch or participate in. There will be refreshments and prizes. We are hoping to see some new faces. There is no fee or drop in charge during this week, so bring a friend. At what age can you become a member and enjoy all this fun? You may join the

seniors when you reach 55-plus. But age is just a matter of attitude. I know some people who are in their eighties and seem to have the energy of a fifty year old, and I know some fifty-year-olds that spend most of their time sitting watching television or on their computers. Come out and join us and get a new lease on life, whether it is hiking, exercising, taking an art class, creating crafts, or making those grey cells work by playing cards, and bingo. You might wish to learn how to use a lap top, and expand your knowledge on the computers, or just have fun at the social events.

If you have a few hours to spare we are always looking for volunteers either at the front desk,

helping with lunches or bazaars, or being on a committee, sharing new ideas for fund raising, programs, etc., This is a great way to meeting new people, especially if you have recently retired or moved to Acton and the surrounding area.

Our membership runs from January 1 to December 31. If you should join

in the next few months the fee is pro rated. (The balance of 2011 plus \$25.00 for the 2012 membership).

The latest Halton Hills Community Activity and Service Guides are now at the Centre. If you didn't receive a copy we have lots at the Centre. All the Try It programs for Open House at both the Acton

and Georgetown Centres are listed on page 34.

There were no mooners at Thursday afternoon's Bid Euchre game, but the eight ladies playing had an enjoyable afternoon.

The name drawn at the weekly 50/50 draw had not put her loonie in the box, so next week the amount should be around \$200.
