Arnott easily re elected in Wellington - Halton Hills

Wellington-Halton Hills MPP Ted Arnott won't know where his votes all, unofficially, 23,503 of them, were cast for months. Elections Ontario staff said it would be December before poll-bypoll results are released,

of voting patterns in the riding.

Arnott, who garnered 56 per cent of the vote, was humble, but happy, on election night, celebrating with supporters at the Erin Legion. Just before

providing a clearer picture 10 p.m. when televised returns declared him reelected, Arnott's smile relaxed as he accepted congratulations from family, friends and campaign workers.

> "Thanks to all of you, tomorrow morning I go back to work on behalf of the people of Wellington-Halton Hills – I hope to be there at 9 a.m. and will need lots of coffee on - lots and lots of coffee - because when the adrenalin runs out, the coffee has to kick in," Arnott said.

> Arnott said with this campaign, his sixth, there were bumps on the road, some expected and some that they did not anticipate. "But, every step of the way I was encouraged by the very best campaign team of any in Ontario," Arnott said, adding any election campaign is a highly-competitive, almost "cut-throat" environment.

as the answer in enough ridings to form the government. "I believe we will be able to find some common ground in the Legislature. I hope a minority government does not lead to more wrangling and discord." Arnott said, adding if there is good will on the part of the other parties, the next four years at Queens Park can be productive.

How Thankful Are YOU??

All of us have seen the pictures and read the stories of the famine in Africa, but the devastation is widespread, and we wonder how we can help.

Countries in the Horn of Africa are facing the world's worst humanitarian disaster as drought and famine intensify across the region. More than 11 million people are struggling to cope with widespread crop failure, massive loss of livestock and skyrocketing food prices.

Money raised this evening will support the most vulnerable, including refugees, childern and the elderly.
