## Two wins for Novice BB Tanners

Romp to an 11 to 2 victory over Caledon — downed by Flamborough squad

The Chudleigh's Acton Tanners Novice BB team faced off with Centre Wellington in a 5-0 win. Owen Kennedy opened the scoring on a nifty wrap-around, assisted by Chris Harriott. Evan Ashe followed with a quick score, from Jackson Philips and Kennedy. Then Mathew Geim blazed in to widen the lead, from Jared Pike and Laek Swain. Finally, Ashe (assist Philips) and Geim scored to seal the win. Harriott got the shutout.

Next, the squad took on Flamborough. After some sloppy play from

both sides, the Sabres struck twice to go up 2-0. Although they controlled the play for most of the game, the Tanners were unable to sustain offensive pressure. They got some life midway in the third when Tienneke Gedge and Ashe sent Jaret Rosenberg in alone to score on a nice deke. But a late Sabres goal sealed Acton's fate 3-1.

Fresh off the frustrating loss, the team was out for redemption against Caledon. Seconds after the Hawks stunned the home squad with the opening goal, Thomas

Holmes took things into his own hands, scoring on an end to end rush. Holmes' effort sparked the Tanners as they romped to an 11-2 win. Rosenberg and Philips paced the Tanners attack with three goals and two assists each. Also hitting the score sheet were Gedge (3A), Riley Drexler (2G), Kennedy, Geim & Holmes (1G, 1A each), Pike (2A) and Swain, Jordan Caruso, James Palmer & Benoit Cuerrier (1A each).

The team's next home action is Saturday at 4:30 p.m., when they host Woolwich.

## Acton Atom AE Tanners make a great effort but suffer two losses

The Smooth Solutions Acton Tanners Atom AE team was back in action on the road in Arthur, to take on the Vipers.

Arthur came out strong

and dominated the first two periods, but Owen Borges was steady between the pipes as he turned away shot after shot. Then, with 24 seconds left in

the second, Arthur opened the scoring during a goal crease scramble.

The Atom AE Tanners re-grouped and played with more energy in the third

period. They were able to get on the scoreboard, during the best shift of the game, with a goal by Brady Worthman assisted by Zach Knight and Spencer

Booth.

Later in the third period, the Tanners defence had a few breakdowns and Arthur was able to capitalize and bank two more goals to make the final score 3-1.

The Atom AE Tanners knew it would be tough the next night, as they took on the Centre Wellington Fusion. Despite an early two-goal lead by the big, fast Fusion squad,

the Tanners continued to work hard. Acton's only goal came from a great individual effort by Aydin Reddeman, who was able to flip the puck over a sprawling Centre Wellington goalie.

A few bad breaks put Acton down a few more goals, with the final score 7-1. Brandon Hatt made some strong plays on defence.
