Rockwood Tennis Club serves up a great year

With lots of members, more programs and more fun it's been a very successful year for the Rockwood Tennis Club, said club president Fiona Flint.

Don't be surprised if you see activity on the tennis courts in November, and maybe even early December as play continues until the snow flies.

There were 178 adult and junior members this year, and the junior program is growing. Club pro Eric Molnar held four tennis camps in

July and August that were a hit with the kids. In addition, Courtside Tennis Academy offers lessons for all members including young players. Flint said the hope is that through Molnar's lessons, youths will become interested in tennis.

This is the first year the club has a website: www.rockwoodtennis.com. It outlines the history of the club and courts, which are adjacent to Rockamosa Community Hall and Rockwood Public Library. It features action photos,

an events calendar and more.

The club rekindled its on-going singles (ladder) competition. Other options for playing included the weekly ladies night, women's and men's singles and doubles, Tuesday and Wednesday evening house league, competitive doubles, inter-rural play against other clubs, plus social tennis on Tuesday, Thursday and Sunday mornings. Social events included barbecues, featuring a sing-along.

An early in the season tournament was held as well for singles, doubles, and mixed.

Fiona Flint was recently re-elected president. Other executive members are treasurer, vice-president and registrar Duncan Flint, past president Doug Smith, club pro Eric Molnar and secretary Lori Schinkel.

If you have questions, or to register, phone Fiona or Duncan Flint at 519-856-0859 or email rockwoodtennis@teksavvy.com.

Best Performance of the Year for Atom AE Tanners

The Smooth Solutions Acton Tanners Atom AE team played Ancaster last week and came out with a lot of energy and speed and the results showed. Acton opened the scoring in the second period with a goal from Aydin Reddemen assisted by Eric Marrows and Tyler Bartels. The Tanners continued to work hard and were quickly rewarded with another goal, by Brady Worthman

from Marrows and Zach Booth. Ancaster battled back to tie the game, but once again hard work from the Tanners paid off as they took the lead with Worthman's second goal of the game assisted by Brandon Hatt. Gabe Rowsell scored on a shot from the point assisted by Reddemen and Tristan Wight to make the final 4-2 for Acton. Coach Joe Borges labeled this game

as the best performance of the year.

Next, the Tanners hosted the Orangeville Flyers, but Acton did not have the same jump and it was reflected in the final score. Owen Borges was great in net, as he faced shot after shot, the Tanners were dumped 5-1, in a one-sided game. Zach Knight assisted Worthman on the lone Acton goal.

Acton re-grouped the

next day to take on the Erin-Hillsburgh Devils. With an outburst of goals the Tanners blanked the Devils 6-0. Goals went to Reddemen, Knight, Worthman (2) and Wight (2). Assists went to Logyn Nyitrai, Spencer Booth, Roberto Ferraioli, Marrows, Knight, and Bartels. Josh Dunbar who was awesome in net, recorded his first shutout of the year.

Atom BB Tanners win three in a row

The Acton Tanners BB team, sponsored by Tri-Form Concrete/Algoma Contractors, picked up three more victories over the past week to improve their record to 6-1-1. On Saturday night, they hosted the Burlington Eagles. After a slow start and down a goal, Brett Hilts sent Caleb Downs in on a breakaway, which he buried. Jon Bydevaate picked up the other assist. Before the period ended, Nic Jones netted a goal, assisted by Hiltz, putting the Tanners up 2-1. Downs scored his second goal of the game midway through the second period on a nice give and go from Daniel Nascimento, and Bydevaate earned another assist. The Eagles scored

in the third period to close the gap to 4-2, but Dylan Palmer set up Luke Miehm, who scored less than a minute later. After some close calls and a few great saves by Mathew Adkins, Nascimento iced the cake with an empty net goal with 44 seconds left in the game. Assists went to Miehm and Bydevaate.

On Sunday, the Tanners travelled to Teen Ranch for a rare home game vs. the Dundas Blues. The Tanners came out flying with two quick goals from Chase Thomas and Nascimento and Josh Hamilton earned the other assists. Thomas was at the right place at the right time again to bang in his second goal off a rebound,

this time off a shot from Declan Harrison. Hunter McCauley had the assist. Nascimento made it 3-0 off a beauty pass from Michael Holmes. Jones then grabbed a rebound and deked out the goalie to go up 4-0. McCauley pulled out another point on the play. Before the second period was over, Holmes made it 5-0 with Nascimento snatching an assist. Holmes netted his second goal of the game off a scramble in front of the Blues goal with Downs picking up the assist. Tanners held on to the lead and won the game 6-4.

On Thursday night, they travelled to Hockeyville to face Dundas. The Tanners caught the Blues sleeping

early with a quick goal from Nascimento on the opening shift, with Downs getting the assist. Before the first period ended, the Tanners were up 3-0. Adding goals were Downs and Holmes, with assists credited to Harrison and Jones. The second period went goalless for both teams, thanks to some fine goaltending by Adkins. In the third period, the Blues finally put a couple of pucks into the Tanner net to close the gap to 3-2, but Jones ended any hopes of a come back with an late goal to end the game 4-2.

The Atom BB host Burlington on Saturday, and travel to Teen Ranch to host Erin on Sunday.
