

# Deck the Halls United Way's Holiday House Tour beckons visitors

Get into the spirit of the season, and take a look inside six beautiful local homes, all tastefully decorated for Christmas. The United Way of Halton Hills' Annual Holiday House Tour takes place on Saturday, November 19, from 10 a.m. to 4 p.m.

Your ticket allows you to view five homes in the quaint village of Glen Williams, and one in the fabulous park district of downtown Georgetown. Your ticket also entitles you to a luncheon (between 11 a.m. and 2 p.m.) at Knox Presbyterian Church on Main Street in Georgetown, where there will be two Christmas décor demos at 11:30 a.m. and 12:30 p.m.

While at the hall, enjoy browsing the vendor tables for Christmas gifts. We will also have a silent auction item table with some fantastic items to bid on.

Tickets for this event can be purchased for a cost of \$30 per person. All proceeds from the event go towards the United Way of Halton Hills' 2011 Campaign goal of \$340,000. United Way of Halton Hills currently funds 20 local agencies which offer programs and services to people of all ages and is celebrating 25 years of serving this community in 2011.

In Acton tickets for the tour are available at: Blooms Away. Call Janet at 905-877-3066 for ticket information.

Remembrance Day is fast approaching and there will be ceremonies held at Cenotaphs across our great nation. As Canadians, we must never take for granted our current way of life; such as our freedom to express ourselves and to participate in cultural and political event. There is no free in freedom. This is a time to pay tribute to those Canadian soldiers who have paid the ultimate sacrifice with their lives. It is also a time to reflect upon our grand parents, our parents, brothers, sisters, sons and daughters who have served or are presently serving our country. Remember if you know a veteran, say thank you.

This year the United Way of Halton Hills celebrates its 25th anniversary in Halton Hills. The goal this year is to raise \$340,000, the highest ever. The United Way will be funding 20 agencies this year, up three from last year. These agencies provide programs which assist children, youth, seniors and individuals in crisis situations. If you work outside of the Town

of Halton Hills and want to donate, you can have your donation go to the area in which you live.

Vote for the Bay of Fundy. You may or may not know that there is a global competition going on right now to identify the New 7 Wonders of Nature.

Canada's only finalist in the competition is The Bay of Fundy, known for having the highest tidal range in the world. Located between New Brunswick and Nova Scotia, the Bay of Fundy is competing against 27 other finalists including heavyweights like the Grand Canyon, Kilimanjaro and the Great Barrier Reef – all hoping to become one of the New 7 Wonders of Nature.

The worldwide competition will be determined by popular vote, with the final seven being announced on November 11, 2011. Vote by visiting their website at <http://www.new7wonders.com/>
