

Novice Tanners down Fusion

The Chudleighs Acton Tanners Novice BB's were back in action after a quiet week as they hosted Centre Wellington. The Tanners' came out fast in the first and carried the play from the opening faceoff, but a Fusion forward found a seam in the Tanner defence and stunned the home side with the opening goal. Acton continued to pressure the visitors but couldn't find the net and trailed 1-0 after one.

Acton's passing game was impressive as they continued to move the puck around in the

second until they finally knotted the game as Jaret Rosenberg fired in a wrist shot from the slot after a nice feed by Mathew Geim and Jackson Philips. Minutes later, Evan Ashe was hauled down on a breakaway, and on the ensuing penalty shot made no mistake as he rifled one top shelf over the goalie's outstretched glove to give the Tanners their first lead.

Early in the third, Acton's solid team play continued as they passed the puck around the Fusion zone before Thomas Holmes and Owen Kennedy nicely

set up Rosenberg in front to widen the lead. Minutes later, Rosenberg completed the hat trick when he wristed one in, set up by Ashe and Philips. Then, in the final minutes, Philips sealed the victory with an insurance tally as he fired one top corner, setup by Geim.

Acton's Tri-County League record now stands at 13-4-1 and their next home action is Sunday at 1:00 at Teen Ranch when look for revenge against Flamborough, whose red hot goalie stymied Acton's offense last time out in one of their only losses.

Atom BB Tanners report

The Acton Tanners Atom BB team, sponsored by Tri-Form Concrete and Algoma Contractors travelled to Lincoln this past weekend to participate in the Lincoln Blades 27th annual hockey tournament. The Tanners started the tournament facing the host team, Lincoln in a fast paced affair from the opening face-off. Lincoln hit the score board first, but Daniel Nascimento sent a cross ice pass to Caleb Downs, who buried the puck into the net to tie the game at one. Ryan McAskill also picked up a point on the play. Declan Harrison and Hunter McCauley combined to set up Luke Miehm mid way through the second period to put the Tanners up 2-1. Despite some great goaltending by Sebastian Woods, Lincoln scored two third period goals to win the game 3-2.

The Tanners knew that they had to refocus and get ready for their next opponent, the Ilderton Jets. Once again, Ilderton

scored first, however late in the first period, Downs went in alone and scored an unassisted marker to tie the game. Ilderton put another one on the board late in the second period to take a 2-1 lead. Brent Hiltz and Nascimento set up Stuart MacDonald, who was alone in front of the Jets net to tie the game at 2 all. Mathew Adkins made some beauty saves in the third to keep the game tied. With just over a minute left in the game, Dylan Palmer and Nascimento fed Jon Bydevaate, who made a nifty move to score the game winning goal, final score 3-2 Tanners.

The Atom BB Tanners then faced the St. Catharines CYO in the quarter finals. The flood gates opened early when Nic Jones and Nascimento assisted on the opening goal by MacDonald. Bydevaate scored an unassisted marker then Nascimento tipped home a hard shot from the point by Harrison to put the Tanners up 3-0. Miehm

set up Downs for the lone second period goal. McCauley and Bydevaate found Michael Holmes, who banged one in to put the Tanners up 5-0. Chase Thomas then caught fire and scored a natural hat trick in the third period, thanks to some great play making from his line mates, Palmer and Miehm, who each picked up assists on all three goals. Final score, 8-0 Tanners. Advancing to the semi-finals to face the Welland Tigers, the Tanners opened the scoring late in the first period when Downs banged home a rebound from a Josh Hamilton point shot. The Tanners worked hard to hold on to that one-goal lead until the Tigers scored a goal mid-way through the second period to tie the game at one. The Tigers then took the lead early in the third period off a scramble in front of the Tanners goal. Although the Tanners worked extremely hard and never gave up, they couldn't find the equalizer and lost 2-1.

Tough loss for Atom Chargers

The Acton Chargers Atom Select team played their second season game this past Sunday losing to the Georgetown Raiders, 10-1. Acton came on strong from the get-go

and although the back-and-forth game kept the pressure on, Acton just couldn't seem to score. It wasn't until the third period when Jack Timmerman rushed and

scored an unassisted goal for the Chargers, dumping the Raiders opportunity for the shut-out.

The Atom Chargers play in Cambridge on Sunday, December 11 at 1p.m.

Atom AE Tanners win

The Smooth Solutions Acton Tanners Atom AE team had a busy weekend with three games in three nights. First, the Tanners took on Arthur and were looking to settle the score from an earlier loss. With great effort from the drop of the puck, Acton took the play to Arthur. Eric Marrows scored an early goal with help from Aydin Reddemen and Michael Hagggett. Shortly after, Marrows found the back of the net, assisted by Brandon Hatt and Tyler Bartels. Hagggett scored a nice breakaway goal set up

by Marrows and Tristan Wight, Brady Worthman and Zach Knight all had third period goals. Assists went to Michael Jankowski, Spencer Booth (2) and Zach Booth, to make the final 6-2.

The next day, Acton faced New Hamburg and Owen Borges was amazing in net, turning away shot after shot. Worthman opened the scoring late in the first assisted by Gabe Rowsell. Then, Spencer Booth gave the Tanners a two-goal lead with assists from Knight and Worthman.

Roberto Ferraioli sealed the shutout for Borges with an empty net goal for a 3-0 win. The third game in Ancaster, was penalty-filled. The Tanners played as a team and with heart, to come out with a victory. Marrows' breakaway goal gave Acton a lead that they never gave up. Spencer Booth made it 2-0, and then later in the game scored a remarkable top shelf goal, assisted by Worthman, to give the Tanners a 3-1 victory. Josh Dunbar was excellent between the pipes.
