## Police ask for witnesses in Brampton crash

Continued from page 1

Michelle Bouchard was a student at Brampton's St. Marguerite d Youville Secondary School. According to Dufferin-Peel Catholic District School Board Spokesperson Bruce Campbell, members of the board's Tragic Events Response Team were at the school Tuesday to support grieving students and staff.

Witnesses described rushing to help the victims of the crash, but the flames were too intense, and no one could get close to the wreck.

There's nothing we could do my heart aches, Tweeted one Brampton woman who told The Guardian she was a bystander at the scene.

Another talked about driving with her father on Bovaird when the Trans Am passed them, narrowly missing them, then jumped the median

and crashed into the Kia. The vehicles exploded in flames.

Lauren Bouchard's Facebook page describes her as an Early Childhood Educator who works as a supply teacher at Dino & Kidz and has also taught at Apples & Angels Montessori School. She was studying ECE at the University of Guelph-Humber and was set to graduate in June, according to friends.

Investigators are appealing for witnesses who may have seen the collision, have video footage of the incident or may have information about actions of the drivers prior to the collision.

Anyone with information is asked to contact investigators with the Major Collision Bureau at (905) 453-2121, ext. 3710.
