PARKER, Donald Alexander

November 23rd, 1928
- October 21st, 2016

Passed away peacefully at Milton District hospital at the age of 88. Beloved husband of the late Margaret, sadly leaving behind his daughter Margaret, grandchildren Brian (Heather) Hebert, Joanne (Morris) Leger, Dawn Marie (Patrick) Yerby and Darryl Kirkland, ten great and ten great-great grandchildren. Predeceased by his parents Olive and Charles Parker and brothers Roy and Ralph Hansen. Don enjoyed many interests over his lifetime - his cherished forty years with Marg; soaring the skies as a glider pilot in his home-made glider; cultivating his beautiful gardens and, after Marg's passing, travelling the world from the unique vantage point of cargo ships to name a few. A proud Canadian, as a member of the Council of Canadians, he was acutely aware of the many issues facing us in this era and spread awareness wherever he could. Don found his calling when he forsook bricklaying to become a technical teacher in 1964; he especially enjoyed working with boy's occupational groups where his diligence resulted in many a young man finding a trade and a place in life. No matter what his pursuits he gave his all. Don will be deeply missed and long remembered by his family, nieces and nephews, friends and "undisclosed recipients". If so desired, donations in memory to a charity of your choice would be greatly appreciated. To send expressions of sympathy visit www.jsjonesandsonfuneralhome.com
