Light Up the Hills ignition event on Dec. 1

Light up the Hills (LUTH) started from modest beginnings in 2008 and each year dedicated volunteers raise funds and provide labour to install seasonal lights in Dominion Gardens Park (Georgetown), Acton Sports Park and the Shelagh Law Parkette in Glen Williams.

The lighting displays are enjoyed by thousands of local residents and tourists during the month-long display.

LUTH is proud to recognize returning Santa Level sponsors for 2016, Town of Halton Hills, Tim Hortons, Deker Electric, Halton Hills Hydro, Cogeco Cable Systems and Dufferin Aggregates; we are pleased to welcome our first Rudolph sponsor CN Rail. This sponsorship will enable LUTH to have a new light display of a train which adds another main display on Guelph Street for many years to come. In addition

to the lead sponsors over 140 other companies and individual donors help to Light up the Hills.

Ignition night is Thursday, Dec. 1, with Santa lending a hand to illuminate the parks at 7 p.m.; it is a sight you don't want to miss with over 100,000 lights coming on at the same time. The night features entertainment, hot chocolate, cookies and hot dogs (Georgetown only) compliments of our sponsors Georgetown Lions Club, Tim Hortons and McDonalds.

Special guest Santa Claus will be attending at 5:30 p.m. to welcome children and adults alike, have your list ready for Santa and make sure you are on the nice list. Ignition night is fun for the whole family. You can remember that special someone by purchasing a memorial ball to place on the tree of honour.
