How to Succeed in Business Without Really Trying comes to John Elliott Theatre

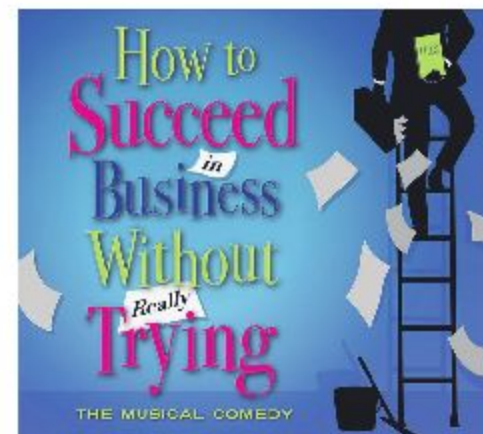

Have you ever dreamed of finding the magic key to making it to the top of the corporate ladder?

Have you ever wished for a quick fix to raise you out of obscurity? Then *How to Succeed in Business Without Really Trying* is the musical you've been waiting for!

Take tips from J. Pierrpont Ponty Finch as he plots his meteoric rise from window-washer to the highest echelons of power in this satiric look at the 1960s business culture.

This musical comedy turns office politics into a high-stakes game of Survivor in which only the smartest wins. The prize? Ultimate control!

How to Succeed in Business Without Really Trying won the Pulitzer Prize, as well as the Tony Award for Best Musical. It has been revived countless times, and will continue to be revived as long as people dream of eliminating their competition in any way necessary!

Don't miss your chance to learn how it's done, as Ponty uses all the weapons in his arsenal to claw his way up the corporate ladder.

How to Succeed in Business Without Really Trying will be taking over the John Elliott Theatre in Georgetown from Nov. 18-19, 24-26 at 8 p.m. and Nov. 20, 27 at 2 p.m. Tickets can be purchased in advance at box office or online at globeproductions.ca
