WORD IN THE VILLAGE

with Mark Thomsen

"Did you find yourself following the US election closer than the past Canadian election?"

Andrii Malieanchuk: "Yes, the USA has a bigger influence on world policies."

Fred Strummer: "Yes, because with 330 million Americans, they could come up with two people better than that. I am very concerned."

Ruth Barden: "No, I would say less. I was concerned about issues but who's really going to build a wall in Mexico?"

Jake Rhynold: "Yes, it was more like reality T.V. than an election. I couldn't understand how America as a whole can accept having two such below grade nominees to run the country."
