Ford, UAW bolster Motown Museum expansion

In 1959 Berry Gordy started Motown Records in Detroit.

He modeled his business, which became a global hit-making factory, after the Ford Motor Company assembly line.

In recognition, Ford and UAW-Ford are part of the Motown story again, announcing a (US) \$6 million investment as lead donor in a (US) \$50 million expansion of Motown Museum.

The museum is the location of the famous Hitsville U.S.A. house and Studio A, where Motown Records changed the music industry forever.

As part of the Ford and UAW-Ford
investment, the expanded Motown Museum
seum will include:

• Ford will town Museum
The commit

- Ford Motor Company Theater, state-of-the-art performance venue
- Educational, music and other programming tied to Ford's ongoing student and community outreach initiatives
- CARaoke Experience, in which visitors take part in an interactive Fordbranded activity that incorporates mu-

sic with Ford vehicles

 Ford will be official vehicle of Motown Museum

The commitment is part of an addi Ford Motor Company Theater, a tional \$10 million Ford and Ford Fund,

the company s philanthropic arm, are contributing to Detroit over the next five years. Ford and Ford Fund are already investing \$20 million in local educational and community programs for 2016.
