

**THINK OUTSIDE THE BOX:** Although it's the time of year to make a list and check it twice, a recent poll found that on average, three in 10 gift purchases during the holidays are done at the last minute or within a day of giving the gift. For an easy and convenient last-minute gift, why not consider a charitable donation? Many charities offer gift options for the holidays. You can send a paper or electronic card to let the recipient know you're in their thoughts this holiday season.
