LETTERS

Concerned citizen

To the Editor:
Hello Neighbours - We are writing this letter to you and all neighbours in our area in regards to the disturbing number of speeding, distracted and dangerous driving events happening in our community.

Over the last six months, we have witnessed cars, commercial vehicles, school buses and delivery vehicles exceeding the speed limit on our streets. They are not only exceeding the limit, they are displaying distracted driving habits, blowing through stop signs and driving the wrong way on a one-way streets. Another very disturbing event was finding several discarded beer cans. I picked up five of them on our street this summer.

All of these facts are happening within a stone's throw from McKenzie-Smith Bennett Public School. These insane driving habits occur a minimum of 10 times daily. Anytime of the day or night.

Safe driving habits require not only care and concern but courtesy and consideration for others. Unfortunately, it's not a question of if a tragedy will happen, it's a question of when.

With a consolidated outcry from our community, we could propose: Speed signs be posted on Arthur Street, Mill Street and Peel Street (there are none), school area signs, speed bumps, a generally increased police presence

If you agree and wish to voice your concern to avoid inevitable accident and to ensure the safety of our children and pedestrians, we urge you to contact the Halton Regional Police, Mayor Rick Bonnette, Safe Communities Halton Hills, or our local newspapers.

Thank you for collective support

Respectively,
A concerned resident of Arthur Street
