## Four people seriously injured in three-vehicle crash

Halton Regional Police are still investigating a serious personal injury collision on Fifth Line north of Bridlewood Blvd. in the Town of Halton Hills Sunday morning involving three motor vehicles.

Police say a southbound car, driven by a 72-year-old Hillsburgh resident, veered into the northbound lane after a vehicle driven by a 22-year-old Halton Hills resident pulled out onto Fifth Line from a private

drive at approximately 11 a.m.

At that time, a SUV driven by a 30-year-old Acton resident was travelling northbound and collided head-on with the southbound automobile.

The force of the collision sent the northbound vehicle into the east ditch, which caused it to roll onto its side, trapping the driver and his 28-year-old wife.

Both people were taken to local

hospital with serious injuries. The passenger was later transported to Hamilton General Hospital in serious but stable condition.

The driver of the southbound vehicle was taken to Georgetown Hospital in serious but stable condition. His 76-year-old wife was a passenger in the vehicle and was transported to Hamilton General Hospital with life-altering injuries.

The 22-year-old Halton Hills resi-

dent was not injured in the collision.

Fifth Line was closed for approximately four-and-a-half hours for the police investigation.

Any witnesses to the collision are asked to contact the Collision Reconstruction Unit at 905-825-4747 ext. 5065.

At this time, no charges have been laid in the investigation. Alcohol does not appear to be a factor in the collision.
