

# The perfect gift for the sports fan this Christmas

With the holiday season right around the corner, it's time to start thinking about the perfect gifts for your loved ones. Below are helpful tips on sharing the gift of sport with everyone on your list.

For the hockey lover. Consider a jersey of their favourite player or team. To personalize it even more, get their name monogrammed on

the back.

Tickets to a game are a great addition, offering not just a material gift but an amazing experience.

For the fashionista. Go snow chic for the fashionista. Try a stylish padded jacket, two-tone leggings, or carbon fibre skis to help them be on-trend with this sea-

son's slope style.

For the basketball buff. Sneakerheads unite - basketball fans will love the latest pair of Curry's or LeBron's. Add that to an NBA jersey and you'll score yourself an invite to the next game.

For the gamer. Waiting for football season to pick up again? Gamers will love the latest Mad-

den NFL video game. The football player on your list can practice their skills virtually until the snow subsides.

For the golfer. Beginners and experts alike will enjoy a set of aerodynamic golf balls and golfing accessories like visors, gloves, and tees.

Thank goodness for those

heated driving ranges.

For the yogi. You can't go wrong with a membership at their favourite studio.

Accessorizing is also a hit this holiday season.

Hot yoga towels, mats, blocks, and foam rollers are sure to win you a spot on the mat next to them.
