

The IFP welcomes new reporter

The Independent & Free Press would like to welcome Graeme Frisque as its newest reporter and photographer.

Frisque is a veteran journalist who has written and covered news for several newspapers and publications across the GTA and Canada.

A graduate of the University of Guelph and Sheridan College's journalism program, Frisque started his career with *The Mississauga News* and *Brampton Guardian* before serving as editor for *HockeyNow Magazine*.

Most recently, he worked as a crime, city hall and general assignment reporter with The IFP's sister paper *The Orangeville Banner*.

He will be assuming the same duties with The IFP and we're very excited to have him on board.

Graeme's inbox and phone are always open and he can be reached by phone at 905-234-1021 or by email at gfrisque@metroland.com
