Georgetown's first Starbucks location opened its doors on Monday (Dec. 5) at the Metro supermarket located in Georgetown South.

The kiosk is located directly inside the supermarket and offers everything you'd expect from a dedicated location.

According to Metro store manager Dan Roach, the Georgetown store is home to

one of several Starbucks franchises purchased by the grocery chain, which will be located in select stores throughout the province.

It's been a hit. I am very, very pleased, said Roach, who added customers were lined up from open to close on its first day of operation.

The Starbucks kiosk is owned and operated by the supermarket and is currently open daily from 7 a.m. to 9 p.m. However, Roach said those hours may be expanded depending on the location's popularity.
