

# Local traveller hosting book launch on recent trip

Local resident Carola Englert travelled from Canada to Florida and the Bahamas on a boat and wants to share the experience with the world.

Englert, an award winning photographer and writer, has written a travel biography called Ashanti Sails South where she invites the public to read on her adventure. This biography inspires and informs everyone wanting to pursue their own unique adventurous lifestyle.

Ashanti Sails South is about a couple sharing an exciting year preparing and sailing south on Ashanti, their CS 36 sailboat. Englert recounts how she and Elmar, her husband and courageous captain, planned and made this lifestyle possible.

On Dec. 18, Englert will be hosting a book launch from 2-4:30 p.m. to talk about her adventures. RSVP to [contact@ashantisailssouth.com](mailto:contact@ashantisailssouth.com) and receive the address.
