Holy Spirit, you who solve all problems, who light all roads so I can attain my goals. You, who give me the divine gift to forgive and forget all evil against me and that in all instances of my life, you are with me. I want in this short prayer to thank you, for all things you confirm once again that I never want to be separated from you, even in spite of all material illusions, I wish to be with you in eternal glory. Thank you for your mercy towards me and mine. Say for three consecutive days. After three days, the favor requested will be granted even if it appears difficult. This prayer must be published immediately after the favor is granted without mentioning the favor. Only the initials should appear at the bottom. Thank you Holy Spirit.
