2016 was quite the year for Acton. From a barn fire at a horse farm, the naming of the new ice rink, sponsoring of a Syrian refugee family, a new BIA Manger, to the Activan celebrating 35th anniversary and many more stories kept *The New Tanner* staff busy throughout Acton and Rockwood.

Our 2016 year in review will include our 2016 "Newsmakers" of the year, chosen by our staff and this pictorial review.

We hope you enjoy and wish you a very Happy 2017.
