## Georgetown Hospital seeks volunteers

Halton Healthcare is seeking volunteers to join the ranks at Georgetown Hospital and the deadline for 2017 applications is Sunday, Feb. 12.

A wide variety of volunteer roles is available, including working directly with patients or visitors and crucial behind the scenes support.

Volunteers enhance the care of our patients, families and visitors, and are integral members of our healthcare teams, said Sharon Norris, vice president of Human Resources Planning and Organizational Development.

We are grateful to this extraordinary group of people for their ongoing kindness and generosity.

While specific roles may vary among hospitals, volunteers play a vital part in the following key areas:

- directing visitors
- assisting at the bedside
- preparing materials behind the scenes
- running the gift shops
- providing additional support to many other programs and initiatives.

When I finish volunteering at the end of my shift, I just hope I helped somebody out that day, said Frances Rustom, a 14-year volunteer with Halton Healthcare.

The volunteers have a lot of fun and laughs together and we get to meet so many new people. It's a great way to give back to your community, she added.

**Application Periods:** New Volunteer Recruitment Process Members of the public aged 14 and up are invited to apply for volunteer opportunities here through Volunteer Services. Georgetown Hospital applications will be accepted until Feb. 12.
