High-miler nabbed driving 110 km/h over the limit

A motorist traveling through Halton Hills early Friday morning had to find alternative means of transportation for the next few days after being stopped by a police officer allegedly exceeding the speed limit by 110 km/h.

The Highway Traffic Act stop was made by a Halton Regional Police officer assigned to impaired enforcement in the Towns of Halton Hills and Milton along Steeles Ave. west of Eighth Line when his attention was drawn to a fast moving vehicle.

The speed limit at this location is posted at 60 km/h.

Mobile radar within the cruiser confirmed the speed of the vehicle as at 170 km/h. The vehicle was stopped and the driver was charged with speeding and stunt driving.

His driver's licence was suspended immediately for seven days and the vehicle was towed and seized for one week.

Sgt. Paul Rudall said community safety and well being is a key component of the HRPS's 2017-2019 corporate business plan as local community consultation has placed traffic safety and enforcement as a key priority.

SLICK WITH ICE: On Tuesday, freezing rain made the commute a slippery one. Vehicles were sliding all over town, including this transport truck that lost control on Ewing Street in Georgetown, sending a woman to hospital. According to police, the unit reported more than 12 accidents from 4-10 a.m.
