Volunteering at Georgetown Hospital

I volunteer because I enjoy helping out, meeting people and giving back to my community.

f n o on

Are you are looking for an opportunity to make a difference in your community? We are seeking new and enthusiastic volunteers to join our volunteer team. Our hospital has a wide variety of volunteer roles available, including working directly with

patients and/or visitors and behind-the-scenes support. Members of the public are invited to apply for volunteer opportunities online at www.haltonhealthcare.on.ca/our-volunteers/about-our-volunteers

Apply Now: Volunteer Applications will be accepted until **February 12, 2017** and considered for all openings between now and July 1, 2017.

Pancakes & Patient Care Community Breakfast

The Georgetown Hospital Foundation invites you to one of its upcoming Pancakes and Patient Care Community Breakfasts. Join Cindy McDonell, Chief Operating Officer of Georgetown Hospital, and Dr. Michael Zettler, Emergency Physician as they share stories about how our community hospital is transforming the patient experience. These breakfasts are scheduled for both Acton and Georgetown:

RSVP by February 20th to Jennifer McNally: jmcnally@haltonhealthcare.com or call 905-873-0111, ext. 8241.

Your support helps enhance care

Thanks to your steadfast support, 2016 was an amazing year for Georgetown Hospital. Our hospital relies on the support of our community to upgrade or acquire new technology and your generous donations in 2016 allowed us to purchase the following equipment:

- Sentinel Node Probe –\$46,307
- Green Light Laser –\$82,000
- Ultrasound –\$54,000
- V60 BiPap –\$26,753
- Hematology Analyzer –\$43,000
- Lab Double Fridge Door –\$8,790

We need your continued support in 2017 so we can upgrade some of our most essential equipment in our x-ray suite. Help us raise \$1.5 million toward the purchase of two new digital x-ray machines, two new digital portable x-ray machines and a new mini C-arm.

To learn more about any of the medical equipment purchased last year or the **2016-2017 Equipment Appeal for Georgetown Hospital**, please log on to www.georgetownhospitalfoundation.com.
