30 PEOPLE WITH HEARING LOSS
Qualified Participants Needed for Technology Field Test

We're looking for people like you, who may be experiencing difficulty hearing in noisy environments to evaluate a remarkable new digital hearing aid and a rehabilitative process that could be the solution to your difficulties. There's no cost or obligation to participate!

Call us toll-free today to see if you qualify for this Field Test. Potential candidates will be given a FREE hearing test to determine their candidacy.

Selected participants will be given a FREE in-office demonstration and the opportunity to evaluate the latest, most advanced hearing aid technology for 30 days. This latest digital technology solves the biggest challenge for hearing aid wearers - hearing well in noisy environments.

Nobody will notice it because of its minute size, fitting snugly and comfortably just behind the ear. Everything works automatically, so you can get back to enjoying your relationships, rather than thinking about your hearing. Following your 30 day Field Test, these hearing aids will be available for purchase, including everything you need for 3 full years.

Georgetown Lions Club accepting nominations for Citizen of the Year

The Georgetown Lions Club is looking for that special individual, couple or organization that through their volunteer efforts has made Georgetown such as great place to live.

Since 1973, the club has honoured volunteers with the Annual Citizen of the Year Award.

Past recipients have come from all walks of life and have made contributions in sports, culture, health or social services.

Many of the past recipients volunteer in multiple organizations over many years of service.

To nominate an outstanding volunteer

send a letter or if you prefer use our application form and return it to the Lions

Club Citizen of the Year, P.O. 73, Georgetown, ON, L7G 4T1 or email dpenrice1@gmail.com by Feb. 20.
