

PhotoArt photography competition heads back to town

The annual PhotoArt Photography competition is looking for your best photos.

Now in its 37th year, the annual PhotoArt competition is open to both amateur and professional photographers and promotes excellence in the art of photography within the community of Halton Hills. It is open to all residents of Halton Hills of all ages.

Enter photograph prints in any of the nine categories: Oh Canada, Flowers & Foliage; Creatures & Critters; People; Scenery; Objects & Abstracts; Architecture; Monochrome; and Creative. There are special categories for children and youth entries.

In celebration of Canada's 150th birthday, PhotoArt is in-

cluding a new category this year titled Oh Canada. Photographers are asked to submit a colour or monochrome image that depicts a Canadian theme.

Also new this year, there will be no fee for children's entries. There are great prizes to be won in all categories, as well as a chance to have your photos displayed at the Halton Hills Cul-

tural Centre during the month of March.

What are the hallmarks of a winning image in PhotoArt? Technical quality, clarity and composition, creativity and capturing that picture-perfect moment. Over the past 37 years, the judges have seen thousands of photographs from hundreds of entrants and they look forward

to viewing the world through your eyes.

For information on entering PhotoArt, go to the website www.photoartcompetition.weebly.com/ to review the contest rules and to download the entry form. The image intake date is Sunday, Feb. 19 from 12-5 p.m. at the Georgetown Market Place mall.

The purpose and effect of the applications are to obtain permission to comprehensively redevelop the former Memorial Arena lands and 7 abutting properties to allow for two 6-storey residential condominiums and a 5-storey seniors residence. The applications represent an amendment to the previous approvals granted by the Town in July 2015 for the former Memorial Arena lands by proposing to increase the maximum height from 5 storeys to 6 storeys and to expand the scope of the development lands to include the abutting properties fronting Mill Street and Dayfoot Drive.
