The Regional Municipality of Halton has once again been named one of the GTA's top employers for 2017 by Mediaworld Canada Inc.

It is the sixth straight year Halton Region has made the top-100 list, with the City of Toronto the only other municipality to make the cut.

We are proud to have been named one of greater Toronto's top employers for the past six years, said Halton Regional Chair Gary Carr in a release sent Feb. 1. Halton Region is a great place to work, and our employees are the foundation of our success. By supporting our team as they deliver essential programs and services to residents, we empower them to enhance the quality of life for everyone in our community.

The annual competition measures em-

ployers based on a number of criteria including working environment, employee engagement and success.

Mediaworld highlighted the region's internship program, youth summer co-op program, retirement planning assistance and defined pension plan, as well as the region's maternity and paternity benefits programs as key factors in its return to the annual list.
