ask?  
HeyRay

**Q:** What will happen to Canadian house prices as a result of the US political scene?

**A:** I believe it will take some time for any US side effects to influence our housing market. However I do strongly recommend that if you are planning to sell within the next year, that seriously consider moving up your time line and take advantage of the very strong current market situation.

## testimonial

... from our clients

FANTASTIC! Extremely professional, everyone is a team player. It was a pleasure working with the entire team. Ray, you have a fantastic, well informed, professional team that all work well together.

My friends LOVED the picture, 3D online, WOW beautiful. My house is cute but the photography made it amazing. Thanks!
