TABERER, Kim
1955-2017
Kim passed away aged 61 on Saturday, February 11th in Georgetown following a courageously brave battle against cancer. Kim and his wife, Liz, enjoyed mutual adoration for the last 15 years. His second daughter, Ashley, his first Grandson, Joseph, step-daughters and Grandbabies will miss his loving attention, as well as Liz's family. He will also be sadly missed by his loving brother, Ian. Kim will be always be remembered as the strongest man in mind and body anyone could ever know.

Kim was well loved by many people all through his life in Coventry, UK, and around Georgetown, Ontario. His energy and work ethic was unstoppable. His love of fitness and health was addictive and inspiring to others. The last 15 years since he met Liz were an absolute ball. The honeymoon continued up until the end and their love will be eternal and forever.

Kim requested a private cremation. Celebration of Life will take place in Georgetown, Ontario, followed by a Celebration of Life in Coventry, UK, Kim's birthplace (TBA).

Liz would like to thank all family, friends, work colleagues and acquaintances who have been unwavering in their solid support over the last 15 months since Kim's terminal cancer diagnosis in October 2015. Each and every one of you is so appreciated. Also, huge thanks to Credit Valley Hospital Oncology Department for their constant, attentive treatment and care, to the home nursing team at Acclaim Health and then finally the fabulous team at Continuing Complex Care Unit at Georgetown Hospital. Thank you to each and every person who kept Kim's spirits up, treated him with compassion and dignity and gave him the time to be able to show his kind and strong personality. Everyone who met him was amazed by his strength of body and character, and knew he was a great person.

If you would like to make a donation in Kim's name, please direct to any of the following: Georgetown Hospital Emergency or CCC Unit, Credit Valley Hospital's Oncology Unit or CASHH
