

# HILLSVIEW REPORT

By: Julie Conroy

Well, I am now back to the reality of a Canadian winter after spending two weeks in the warm Punta Cana sunshine.

On Monday, February 13 we had our Valentine Dinner. Over 80 people attended and Ronnie Russell provided the entertainment.

I understand it was third time lucky for the Birthday Tea on Tuesday January 31. It was cancelled twice due to the weather. Almost 60 people enjoyed the afternoon with cake, tea and coffee and chatting to old friends and meeting new people.

You can look forward to summer by booking to see the Toronto Blue Jays play the Pittsburgh Pirates on Saturday, August 12. The bus will leave the new Georgetown arena at 10 a.m. It is open to everyone. The cost is very reasonable when you consider you don't have to face the traffic, and pay for parking. If you would like more information, talk to Florence on Friday mornings at the Acton Centre or read the info sheet in the travel section rack.

Heather Beaumont our Volunteer Coordinator had arranged a one day Safe Food Handling course on Tuesday, February 21 in the Ac-

ton Boathouse starting at 9 a.m. to 4 p.m. We encourage anyone who is involved in handling and serving food to participate. The information you learn will not only help you as a volunteer, but in your home as well. The signup sheet is at the reception desk.

The winner of the Georgetown Uptown Spa complementary January birthday pedicure was Paula Alves, and Marge Lane won the lovely sweater which was the prize for the monthly raffle. This month's prize is a beautiful crystal vase and chocolates.

While I was away, I heard that a long time member Fern Schultis passed away. The Centre would like to pass on condolences to her daughter Diane and family.

Pat and Dobbie Frizzell's daughter Margie also died suddenly this week. Again we extend our condolences to Pat, Dobbie and family.

Friday lunch on February 24 will be Salisbury steak, potatoes salad and desert followed by Bingo at 1:15 p.m.

There were no winning 50/50 names pulled over the past three weeks. This Friday the amount to be won should be over \$200.

# HCDSB secondary students to compete in new athletic league

Beginning September, 2017, Halton Catholic secondary school sports teams will compete in a new athletic league. The Board has established the Halton Catholic Athletic Association (HCAA), a self-governing body that will oversee the extra-curricular (inter-school) athletic programs, independent of the Halton Secondary School Athletic Association (HSSAA).

The HCAA will be comprised of each of the nine secondary schools within the Halton Catholic District School Board. HCDSB interschool sports teams will continue to compete with HDSB interschool sports teams at the regional level. These changes will take effect for the 2017-2018 school year.

More than 3000 student athletes across HCDSB

schools compete in interschool sports teams each school year, and HCDSB has over 167 interschool sports teams each school year. Catholic and public school boards in Niagara, Waterloo, and Hamilton compete in separate athletic associations.

"This decision has come about in response to the continued growth of the Board's secondary schools,

which now supports the viability of independent athletic programs," said Anna Prkacin, Superintendent of Education

"We are grateful for the many positive relationships we have formed and the strong collaboration we have experienced over the past four decades, in partnership with the HSSAA," said Diane Rabenda, Chair of the Board.
