The music of the Beatles (pictured) will be celebrated when "Beatlemania Revisited" comes to Halton Hills

Calling all Beatles fans! The look, the sound and the excitement of The Beatles live performances will be re-created at the John Elliott Theatre when the international touring cast of "Beatlemania Revisited" comes to town on Saturday April 8th at 8:00 p.m. for a special One Night Only performance.

All songs in the Beatlemania show are performed "note for note" by the amazing cast members who are further augmented with incredible costumes and vintage instruments to truly capture the spirit of the Fab Four. The evening kicks off with their famous 1964 appearance on the Ed Sullivan television show and follows The Beatles through their entire career with numerous costume changes including the Sgt. Pepper and Abbey Road eras.

In total, over 30 Beatles songs are performed live throughout the evening including "I Wanna Hold Your Hand" "Ticket to Ride" "Yesterday" "Penny Lane" "Help!" "A Hard Day Night" "Yellow Submarine" "Eleanor Rigby" "Sgt. Peppers' Lonely Hearts Club Band" and of course "Hey Jude" amongst the many audience favourites. Colum Henry, who portrays John Lennon, notes "This is a family oriented, audience-interactive performance that will have everybody singing, dancing and clapping along".
