

Acton High School holds annual hockey tournament

By: Les Schmidt

Acton High School held their annual hockey tournament last Thursday at the Acton Arena. Nothing happened in the classrooms, as everyone was at the arena participating in the tournament or a number of other ac-

tivities held there.

The action on the ice kicked off at 9:15 a.m. with an exhibition match between a school team and the Halton Regional Police team, this was followed by a four game tournament between mixed teams made up of teachers,

male and female students. However, hockey wasn't the only thing on the student's minds as there were a number of tables run by various school clubs and organizations that provided a variety of goods and activities. The pizza table was popular with every-

one, and especially with players needing to refuel between games. Other tables offered baked

goods, face painting, balloon animals, air hockey, karaoke, and more.

The Championship game started at 2:15 p.m., and everything

was wrapped up an hour later as everyone headed out for their P.A. Day on Friday, followed by the March Break this week.
