cultural centre. Town staff are currently awaiting approval from the federal government.

Canada 150 tulips will be planted in 22 different locations in town. Trees will also be planted between April and June in 40 parks to celebrate and recognize contributions

from local veterans.

There will also be tree stump carving at the civic centre, a Canada 150 community engagement contest, and a community open house with the theme proud to be Canadian.

The town is striving to have something going on year-round.
