HELPING HANDS: Sheridan Nurseries CEO and president Karl Stensson and marketing vice president Valerie Stensson present Children's Wish Ontario regional director Tiffany MacDonald with a cheque for \$20,000 at Sheridan's head office in Georgetown. The funds were raised through the nursery's 10th annual round-up Christmas drive, where customers can give a few cents at a time by donating the amount to round up to the nearest nickel or dime at any of the chain's eight locations. The drive has raised more than \$200,000 since its launch.

Only Mortgages

Mortgages are all we do, and nobody does them better!

Purchase Financing: We offer purchase financing, and we're good at it. We truly enjoy coaching people as they buy their first home, or their next home, and finding them the rate, terms and features that suit their individual needs. We also have expertise at financing self-employed borrowers.

Consolidation Loans: We are also experts at helping people find ways to afford the home they currently own, and freeing up monthly cash flow by refinancing their current high interest rate debts. Then we coach them on how to pay off their mortgage sooner, thereby saving them money overall. And, we can often find ways to say YES when their bank says NO. See our example to your right ...

Only Mortgages is a VERICO Broker. Each VERICO Broker is independently owned and operated. Only Mortgages is a registered trade-mark. Example above assumes a loan-to-value of 80%, a prepayment penalty of 3 months interest to discharge the existing mortgage, and minimum credit scores of 600. Appraisal and legal fees have been estimated. Rates and payments used in the example are for illustrative purposes - second mortgage rates will be higher. The 2.84% rate is a five year fixed conventional rate. Rates and terms are subject to qualification, and can change at any time without notice. E. & O. E.
