Costs in Family Court

ASK THE PROFESSIONAL

o o k
o o

If I sue my spouse for support can I count on the courts awarding me costs to cover my legal bills?

Right now, courts in our province do not award costs to the successful party in family law cases. If you sue your spouse for support, you will have to pay your own legal costs. Most courts award costs to the successful party in family law cases. It is not always the case that the successful party will be awarded costs.
