

Whitebelt Visioning Exercise

You are invited to attend an open house for the Town of Caledon Whitebelt Visioning Exercise. The Whitebelt is the area outside the Greenbelt and existing settlement areas in south Caledon (see the map below).

The Exercise will help generate a vision for future land use and infrastructure planning, and for the protection of strategic employment land as directed by provincial policies.

During this, the third in a series of Open Houses for this project, options regarding the location of strategic employment lands will be presented.

The open house begins at 6:30 p.m. with one-on-one discussions with Town staff and consultants. At 7:00 p.m. there will be a formal presentation and question and answer period.
