Plan your Earth Week events

April 21 will mark the 48th anniversary of Earth Day.

To promote environmental awareness and celebrate Earth Day, the Town of Halton Hills promotes Earth Week Celebrations, which includes activities for the entire family such as:

- * The 22-Minute Makeover
- * Community Clean-up
- * Halton Hills Earth Day
- * Earth Day & Sustainability Fair

22-Minute Makeover - Friday, April 21

Join in the 22-Minute Makeover where local businesses, town employees and schools are encouraged to take 22 minutes out of their day to clean up outside. It is a voluntary activity where participants report they enjoyed getting outside for a brief time, even though they were picking up litter. Town employees have about 100 participants per

year. Local schools have an A+ grade for past participation and are encouraged to keep up the great work. The town hopes to achieve 100 per cent participation again in 2017.

Register by emailing or by phoning 905-873-2601 ext. 2603 for your free bags and gloves and choose the clean-up time that suits your schedule.

Community Clean Up Saturday, April 22

The town invites individuals, families, church groups, service clubs, ratepayer associations and youth groups to help clean parks, ravines and roadsides of our entire community. Join an organized group listed on the town's website or form your own group. Take notice of areas that need attention. Perhaps it is your local park or a nearby roadside.
