## Halton police offering tech tutoring program for seniors

Members of the Halton Regional Police, working with volunteers, will be providing tutoring sessions for seniors on using their communication devices at an information session next week.

The Technology and Communications for Seniors workshop organized by Halton Hills SALT (Seniors and Law Enforcement Together) is scheduled for Tuesday, April 18 at the Georgetown HRPS detachment. Seniors can bring in their laptops, tablets,

smart phones, iPads or iPods and attend one of two one-hour sessions at 10 a.m. or 11 a.m. in the Community Room of 11 Division at 217 Guelph St.

Experienced officers or volunteers should be able to help them with any difficulties they are experiencing operating and navigating the applications of their communication and electronic devices.

To sign up for a session, call 905-878-5511 ext. 2105.
