From the Szlachta Family

Darius, Bobbi, Daniel, Tina and Finn would like to thank everyone who came to support us after the loss of our beloved son, father, brother and best friend Adam. To everyone who called, texted, came with food, and flowers, and sat with us as we laughed and cried while sharing memories. For those who came to the funeral, family, friends, co-workers, neighbours of not only Adam's but for the rest of the family as well. For the friends that came from far away to share their sorrow with us. For the beautiful flowers, cards and donations made in his memory. For all the incredible stories that you shared. To Jones for the wonderful funeral and the Saint George for the wake. We can not tell you what all of this has meant for us, your support and caring has helped us more than we can ever express. So from the Szlachta's thank you all for everything. Please remember Adam with love and happiness and joy.

It was a brief life but one well lived.
