Student's poem explains the price of freedom

Continued from page 25

Freedom gives me the right to go to school and get the education that I want for my future and it gives me the right to play the sports I like without having to worry about people judging me for who I am. I can have friends with a different nationality and religion than mine because, in this day and age, we are taught that all people are equal.

On Remembrance Day we wear the poppy, a blood red flower which grew in the fields where many of the soldiers were buried. We wear one to show that we remember the dead.

On November 11th all the Canadians and everyone in Holland stand for the soldiers who fought because the soldiers fought for us and Holland. This is what I think Remembrance Day is about.

HELP HABITAT RAISE \$600K TO BUILD 6 HOMES IN OUR COMMUNITY!

At Habitat for Humanity Halton-Mississauga, we've seen incredible things happen when people help us build a home for a family in need. But did you know that you don't have to lift a hammer to help?

We need your help to start our projects in Georgetown and Acton. Help us change the lives and futures of more families than ever before.
