HELLO SPRING: Canadian Tire's Garden Centre on Guelph Street in Georgetown was extremely busy this past weekend, reports store manager Tracey Craig, and more of the same is expected this week heading into the Victoria Day long weekend. The store has special extended hours on Victoria Day Monday from 8 a.m. to 3 p.m. and deliveries will be coming in all week to help stock the shelves. Fresh tropical, annuals, perennials and nursery-raised roses are on sale and truckloads of sod, mulch and a wide variety of other gardening products will be in stock for your back and front yard needs. From left, Canadian Tire Garden Centre staff members Courtney Robshaw, Allannah Campbell and Sue Bramley display some of the annuals for sale, which include Double Million Bells, African daisies and lobelia hanging baskets.
