

# Georgetown band Dayfoot hosting vinyl release show

A local band is releasing a vinyl of their latest album later this month at the Georgetown Legion.

In March 2016, local band Dayfoot was formed with Stephen Dayfoot as drummer, TJ Waldie on bass, guitarist/vocalist Vincent Schaljo, and guitarist/vocalist Douglas Richard Sinclair.

Sinclair, a descendant of the Métis Nation, chose to name the band after Dayfoot, a descendant of the Cree Nation.

Last November, the band recorded with John Dinsmore at Lincoln County Social Club in To-

ronto. Spirited by a vast spectrum of influences ranging from country blues to grunge rock, their sound found its skeleton.

A limited run of 100 7-inch vinyls will be for sale at their vinyl release show on Saturday, May 27 at the Georgetown Legion.

Doors open 9 p.m. with a \$10 cover. Guest performances will feature longtime local musician Peter Van Helvoort and local rock and rollers Silver Creek Folk.
