

Students bestowed excellence laurels

The Halton District School Board recently hosted its annual A Celebration of Student Excellence. One student representative was selected from each elementary and secondary school in the public school system to receive the Student Excellence Award. The honour goes to students who demonstrate outstanding qualities in more than one of the following areas: academic, vocational, athletic, self-improvement, community work, citizenship and student leadership. Please note that winners from the Catholic board will be published next week.

Lilli Butt started with Gary Allan's STEP Program in September 2015 when she was 17 years old. She arrived with 12.5 credits. Attendance was a major issue for her in the past. Since starting in the program, Lilli has grown and excelled in many facets of her life.

Since arriving, Lilli has blossomed into a highly driven and dedicated student who was determined to overcome her past academic barriers. She has been a leader in the classroom and is an exceptional student. Outside of the class, she is engaged in various volunteer opportunities in the community while also working part-time. Beyond academics, Lilli is a kind-hearted and caring person. Lilli joins fellow classmates who are anxious about volunteering so they may complete their volunteer hours.
