FIGHTING THE WAR ON CANCER: On June 2, both Georgetown District High School and Christ the King Catholic Secondary School took part in the 2017 Relay for Life. Here, participants at ClK enjoy a pizza break at their camp on the athletic field. Relay For Life is a community fundraising event where Canadians across the country join together in the fight against cancer. Nearly 400 relays took place across Canada. Relay participants walk or run together around a track or path at a local school, park or fairground, passing a baton to their fellow participants and working together toward one common goal - finding a cure for cancer.
