

BOOK READING AND SIGNING: This Saturday, June 17, Georgetown writer Christine Poe will be at the Terra Cotta Community Centre for a reading of her book, *TIKKO TRAVELS Dorian's Story*. The story is written by Poe, inspired by her son Dorian, who is on the autism spectrum. The children's book is an inspirational tale of a little polar bear traveling the world for autism awareness and the little nine-year-old boy who dreamed of making the world a better place for families living with autism. The event begins at 10 a.m. Above, Poe reads her book, *TIKKO TRAVELS Dorian's Story* to a classroom.
