CANADA 150

We are proud to be CANADIAN!

We live in what is known worldwide as one of the most peaceful and kind countries. Why are we everyone's favourite North American Country? We abolished slavery, granted women the right to vote, created universal healthcare and legalized gay marriage years and years before the US. In addition to being forward thinking with what seems to be basic human rights and freedoms, the world can also thank us for peanut butter (you're welcome) and insulin. In Canada's 150 years, we have seen the hardships of war and celebrated many victories to further solidify our FREEDOM. Thank you to all the men and women who have made our country GREAT!
